DIAGRAMMATIC AND NOT TO SCALE

The roads Winding Piece, Boydlands and Snowcroft, accessed from Thorney Road, provide ample roadside parking (marked in yellow). Footpaths connect them to the Village Hall and shopping precinct. Winding Piece leads to a parking area to the rear of the shops, where parking for an extended period is more tolerated.

Alternatively, there are three laybys along Rembrow Road and some roadside parking possible in Elm Lane and , to a lesser extent, Link Road.
